February 3, 2010

Dear Parents,

Catholic Schools Week is a long-standing tradition at Our Lady of Victory School. Our celebration began last Sunday, January 31st, as we gathered for the 10:30AM Mass. This year's theme "Catholic Schools Dividends for Life" provides us with many opportunities to spotlight some of the many wonderful things that happen at Our Lady of Victory School. You received a schedule of events and activities for the week. I hope that you will be able to join us at some of the events, if your schedule permits. The teachers, the children and I are very excited to be able to share this very special week with you.

On January 28, the School Board hosted an open meeting. At this meeting the financial background of the school was explained, and the new tuition rates were announced. The new tuition schedule for the 2010-2011 school year is included in this mailing.

Shortly after Catholic Schools Week, we will have formal registration for new students for the 2010-2011 school year. Appointments can be made by calling the school office during school hours. If you know of a family interested in becoming a member of our OLV school family, please invite them to call to schedule an appointment. As always the policy for admission will remain with a priority to families with children who currently attend Our Lady of Victory School, followed by Parish families and families from the surrounding communities.

The re-registration forms for students who currently attend Our Lady of Victory will be sent home on or about March 17, 2010. The forms are due back by April 15, please. I have received applications for student aid for the 2010-2011 school year from the Tomorrow's Hope Foundation. I encourage any of our families who may qualify to apply for this scholarship opportunity. The forms can be obtained from the office. They must be postmarked by April 1, 2010. If you have any questions about this process or the application, please do not hesitate to contact me directly.

I would like to thank the members of the School Board and the Home School Association for all the time and effort they dedicate to OLV School. Thank you to our teachers and staff who are so dedicated to the children and committed to Catholic education.

Thank you to all of our families for sharing the gifts of your children with us! It is such a pleasure to see their smiling faces each morning!

God bless you,  
Sincerely,

Peg Augello  
Principal
