

Hi Everyone,

Don't forget about the ALL the extra money we could make for OLV School if we committed to shop with scrip cards a little more often!

GROCERY stores like Waldbaum's, Stop & Shop & Key Food offer 4% - 5% discounts on \$25/\$100 gift cards and we have them in stock for immediate purchase!

For example, for every \$100 gift card we sell to Key Food, OLV earns \$5. That adds up quickly when our families commit to grocery shopping w/ scrip cards.

We have many great cards onhand for things you shop for every day....reply to this email to get what you need now and help the profit for OLV School add up!

Thanks,

Suzanne & Noreen
